Application Process:

1. Forward your completed application (all questions/fields mandatory), along with copies of a Psycho-educational assessment (administered within the last two years), speech-language assessment (if applicable) and reports from your child's last school. If you do not have copies of these reports, please sign the Release of Information form(s), included in this package (which gives your permission to have the reports and test scores forwarded directly to the Admission and Review Committee of Bridgeway) and forward them to the appropriate professionals, i.e. doctor/hospital/ or school(s).
2. In certain situations, if sufficient background information is not available to determine the nature and extent of your child's learning disability, the Admissions and Review Committee may recommend that additional assessments be obtained.
3. If, on the basis of recent assessments, the Admission and Review Committee does not feel that your child meets the admission criteria, you will be informed by phone, followed up with a formal letter at this point of the application process.
4. If your child meets the admission criteria, the Admissions and Review Committee must decide if a suitable program can be provided by Bridgeway to meet your child's needs. For example, it is possible that a child might meet the admission criteria, but may not be offered placement at Bridgeway because of existing class sizes or compositions.
5. If a suitable program can be put in place for your child, you will be notified by phone and letter. If, due to factors mentioned previously, no placement can be offered, you will also be contacted by phone and letter and advised of alternatives or the likelihood

of Bridgeway being able to offer a suitable program in the foreseeable future. If placement is not offered, you may of course re-apply without prejudice in future years.

6. There is a \$50.00 non-refundable processing fee required at the time of application (payable by cheque, cash, credit card – Visa or Mastercard on site or remotely by calling 902 465-4800 ext 2 or e-transfer:to tracy.graham@bridgeway-academy.com).
